Denver-Third Wednesday of the month

Colo. Springs-2nd Thursday of month

Mountain-Third Wednesday of the month

Seminars are well as special event schedules for all chapters are available on the BOAC website at www.boac-colorado.org. Monthly Education Seminars include a technical topic or tour directed to the general membership.

Background

- Building Operators Association of Colorado (BOAC) was started in 1984. Its purpose is to promote an organization which assists its members in developing their knowledge and increasing their competency in all areas of building services.
- This purpose is accomplished by regular education meetings to discuss topics of interest to the membership, building a network of like-minded individuals, and keeping members abreast of legislation affecting the industry.

Dues Structure

The two levels of membership are based upon background and participation.

OPERATORS: Any person involved with multiple phrases of building operation and maintenance a minimum of 75% of the year.

VENDORS: An individual or vendor company that elects to join and receive full company membership benefits.
